Re: US Patent Application No. 10/029,951 in the name of Zhen-Man Lin

Claiming priority from Chinese Patent Application

Filing date: 12/31/2001

Dear Mr. Dinh

I am the above applicant, it is a pity that I don't understand why the lawyer rejects the desire of the patent applicant to correct the patent application, and the amendment made by the lawyer has erroneously rendered the patent application useless. Now the deadline for the defense is near, but the lawyer again rejects my justifiable request for the lawyer to review the amendment. The lawyer violated the Professional Ethics Rules! Under such suspense, I have to send a registered mail, according to 37 CFR 1.312, to submit to you the files concerning application amendment and defense. I beg you to admit my files and I will, the soonest possible, invite a dutiful American lawyer to handle my case.

I beg dear Mr. Dinh to admit my files sent by email or by plain mail, and please inform me of relevant expenses!

Kind attention.

Sincerely yours,

Zhen-Man Lin
